

EPICUR course offerings for the summer programme 2024 are now online!

Any plans for this summer? How about spending it with other students from all across Europe, travel abroad and at the same

time experiencing a unique learning opportunity? At our innovative European University, students are at the centre! Compile your own portfolio of physical, virtual and blended offers for the upcoming EPICUR summer term 2024 (offers run from April through September).

EPICUR is excited to offer you 25 different summer programmes in a wide range of focus areas ranging from **Sustainable Transformation, European Values, Global Health, and Future Intelligence**. Additionally, we provide courses designed to enhance your **transversal skills** and facilitate **language acquisition** across a diverse range of languages. EPICUR summer programmes offer you an easily accessible international experience that is easy to combine with your own schedule, and an enriching experience. Boost your academic skills, acquire new knowledge and meet other students from 9 European universities!

Courses start from April 2024.

Registration is open from March 11 until April 08 (23:59 CET), 2024.
