

International Summer School 2019
Sustainability, Ethics and Transformation
Universities of Freiburg – Nagoya – Strasbourg
September 16 – 20, 2019

Selection Criteria and Application Procedure

The announcement addresses outstanding doctoral candidates from all academic disciplines, at all stages of their doctoral projects.

Selection criteria

- tangible motivation to work on the Summer School's topic
- availability to participate in all activities in the program
- fluency in written and spoken English

Application requirements

- one page motivation letter commenting on your interest in the Summer School's topic, and on its benefit for you own work
- confirmation of your acceptance as a doctoral candidate issued by your faculty, supervisor, or graduate school
- CV

All application documents have to be submitted in English.

Participant cost

The International Summer School is free of charge. Meals and the social activities indicated in the program are covered.
