Documents To Bring

Depending on the type of stay and your nationality, various documents which you should bring with you from your home country are required for your stay in Freiburg. The following list contains the most important points (not all points apply to every person).

- Passport or Identity Card, valid for the entire duration of your stay in Germany
- Visa
- Passport photos for ID cards and documents, biometric if necessary
- Confirmation of the financing of the stay (scholarship, salary from your home country) in German or English
- Proof of health insurance in German or English with confirmation of monthly contributions. If you are subject to compulsory insurance in Germany due to an employment contract: confirmation of your previous health insurance (for example European Health Insurance Card from your previous insurance company)
- Certified copies of your academic degrees in German or English translation
- Birth certificate and marriage certificate, if possible with German or English translation. Certificates require an apostille or legalisation, depending on the country of issue.
- Copies and certified translations of your children's birth certificates with apostille or legalisation if necessary
- Credit card and/or debit card
- international vaccination card and documents relating to chronic diseases or medication
- international driving licence or foreign driving licence
